R.I.G.L. 23-28.6-22. Nightclubs.

(g) Have an emergency plan for the premises, approved by a fire marshal and consistent with rules established by the Fire Safety Code Board of Appeal a person on duty or a crowd manager on duty, who has been trained by the fire marshal with regard to the emergency plan and basic crowd management techniques by October 1, 2004. This requirement shall be in addition to the requirement for a detail fire fighter.

Fire Code

(Add) 12.4.7.1.4

The responsible management of each Special Amusement Building Concentrated Occupancy Place of Assembly, shall have an emergency plan for the rapid evacuation of the premises approved by the state fire marshal. The plan shall identify the egress system of the building, explain, on a step-by-step basis, how the crowd manager on duty will complete the evacuation, and explain how the crowd manager will direct the occupants to safety in the event of one or more blocked exits.

(Add) 13.4.7.1.4

The responsible management of each Special Amusement Building Concentrated Occupancy Place of Assembly, shall have an emergency plan for the rapid evacuation of the premises approved by the state fire marshal. The plan shall identify the egress system of the building, explain, on a step-by-step basis, how the crowd manager on duty will complete the evacuation, and explain how the crowd manager will direct the occupants to safety in the event of one or more blocked exits.

(Amd) 12.7.5 Crowd Management

(Amd) 12.7.5.2

The crowd manager shall receive appropriate training in emergency planning and basic crowd control techniques, by the state fire marshal, or his or her designee, on or before October 1, 2004.
